

## Cat.6 180° Quick Solution - Keystone Jack

CAT 6 UTP 180° Keystone Jack is designed with easy installation in mind and compatible with CAT 6 component performance (ANSI/TIA-568-C.2 Category 6).

Compatible with SYSThames One Punch Tool which can reduce jack termination time and save time up to 8 times compared to traditional termination.

### Features

- Front Connection Spring Wire: Phosphor Bronze Alloy. Plated with 50 micro-inch of Gold over 70-100 micro-inch of Nickel
- IDC Material: Phosphor Bronze Alloy with 10 micro-inch 100% Tin Alloy
- Can terminate stranded or solid 22~24AWG wires.
- T568A/B wiring

### Applications

Voice; T1; ISDN  
10GBASE-T  
16Mbps Token Ring (IEEE802.5)  
100VG-AnyLAN (IEEE802.12)  
100BASE-T Ethernet (IEEE802.3)  
155/622Mbps 1.2/2.4 Gbps ATM  
1000Mbps Gigabit Ethernet  
550MHz Broadband Video

### Standards

UL 1863 Safety listed  
UL 94V-0 Fire Retardant Plastic  
ANSI/TIA Standard 568-2.D  
ISO/IEC 11801 2. Ed.  
CENELEC EN 50173

### Available Colours

1816- 12011 - White  
1816- 22011 - Blue  
1816- 32011 - Yellow
